<u>MEMO 4C - 2/123</u>

To: Distribution

From: P. Nagel   *P.N.*

Subject: <u>TRANS 1180</u>

(a) The reactions in 10095 and 10097 use the illegal process code com-
     bination X+G (EXFOR systems manual page 8.R.4).

(b) In general it would be more useful for retrieval purposes to code
     such gamma emission from residual nuclei with the gamma in the
     particle considered field, i.e.: (N,X)Residual,PAR,DA,G

Distribution: Dr. V. Manokhin, CJD
                Dr. S. Pearlstein, NNDC
