DESCRIPTION:	

The publication "Research Report of Laboratory of Nuclear Science Tohoku University" should be added to the CINDA and CSISRS dictionaries and to the existing literature coverage control. In Vol. 6, 1973 page 64 there appears a CINDA codable article for U-238. Other volumes should be checked for CINDA codable information.

DICT 41

SCT/ARE,RES Why was RES added? This is inconsistent with other resonance areas.
