Subject: **TRANS M016; TRANS M015 missing**

We have processed TRANS M016 and some comments on it are attached.

However, we did not receive TRANS M015 and would like to enquire whether this TRANS tape exists. If so, we ask for transmission.

**General comments:**

- The conference code 83TOKYO is not in the dictionary. CDFE is requested to give the details for introduction to dict. 7.
- The BIB keyword COMMENT is often used to give explanations which belong under more specific keywords like METHOD, ANALYS, ERR-ANALYS.
