

# AASPP Workshop

## The 2nd Asian Nuclear Reaction Database Development Workshop

**China Institute of Atomic Energy**

**Beijing, China**

**5 – 9 September, 2011**

**E-Mail: cgc@ciae.ac.cn**

The aim of this workshop is to bring together Japanese, Korean, Indian and Chinese nuclear data researchers to encourage nuclear data compilation, evaluation and discuss future collaborations in Asian nuclear data activities based on recent developments in each country.

### **Topics:**

- 1) Asian Nuclear Data Center activity
- 2) EXFOR compilation
- 3) Development of the Asian nuclear reaction database network

### **Advisory Committee**

Kiyoshi Kato (JCPRG, Hokkaido University, Sapporo, Japan)

Masayuki Aikawa (JCPRG, Hokkaido University, Sapporo, Japan)

Srinivasan Ganesan (Bhabha Atomic Research Center, Mumbai, India)

Young-Ouk Lee (Korea Atomic Energy Research Institute, Daejeon, Korea)

Haihong Xia (China Institute of Atomic Energy, Beijing, China)

Zhigang Ge (CNDC, China Institute of Atomic Energy, Beijing, China)

Naohiko Otsuka (NDS, International Atomic Energy Agency, Vienna, Austria)
