

Refel

CP-N-2/2

To : Distribution
From : P.D. Johnston *P.D.J*
Subject : New Status Code

20th March, 1979

1. New Status code

(NDD) for compilations where numerical values are taken from the NEUDADA file of the NEA Data Bank.

2. Would you note that the reference AE-517 is the last report in the AE-sequence. A new reference code for subsequent reports in the STUDSVIK-series should be introduced.

STUDSVIK- Reports from the Studsvik Science Research Laboratory, Sweden.

3. Please note also the new reference codes LUNF-D Nuclear Physics reports from the University of Lund, Department of Physics.

NFL- Reports from the Studsvik Science Research Laboratory.
