Subject: NEANDC(OR)-140 References

There were (at least) three NEANDC(OR)-140 reports published in 1974:

- Progress Report to NEANDC from Spain (December 1974, F. Manero ed., no alias).
- Progress Report on Nuclear Data Activities in Sweden (September 1974, H. Condé ed., alias INDC(SWD)-7).
- Progress Report to NEANDC from Switzerland (June 1974, T. Hürlimann ed., alias INDC(SWT)-6).

They have the same distribution code (L) and cannot be distinguished by REFERENCE code strings. In general, progress reports should only be kept under REFERENCE if they provide additional information not presented in other references. NEA DB will check if the above mentioned progress reports must be kept and perform the necessary corrections.
