(T=Table in the article. C=Digitized from the article. A=Data from authors)

- Most of duplicated entries are for data measured at RIKEN(2JPNIPC) and RCNP(2JPNOSA)
We have agreement with RIKEN and RCNP for numerical data compilation for data measured at their facilities before publication final.

—Most of data are reported in their annual reports and conference proceedings.
Duplication can easily occur.

It is difficult to have coordination for all possible duplications

- We have received numerical data from author for all duplicated entry

Entry	Status		Subent.		Data points
