

Corrections Requested in the Last Meeting (A38-A39, A44-A46)

(N. Otsuka, 2013-04-28)

This is a summary of corrections not mentioned in other working papers of the meeting. All preliminary files received by 28 April 2014 are considered.

A38 (Dupont, Taova)

(Continuing Action) Correct entries for data sets which are partial for secondary energies listed in CP-D/718 (=WP2012-22, also registered to the EXFOR Feedback System).

→All corrections have been done except for F0004.002-003.

A39 (Dupont, Mikhaylyukova, Pritychenko)

(Continuing Action) Correct entries using the keyword `INC-SOURCE` for spontaneous fission as listed in 4C-4/198 (=WP2012-35), and move information to another keyword or subentry when necessary.

→All corrections have been done.

A44 (Mikhaylyukova)

(Continuing Action) Add English translation information of Atomnaya Energiya under the keyword `REFERENCE` as listed in WP2011-26 (also registered to the EXFOR Feedback List).

→There are still **165** translations for addition.

A45 (Babykina, Dupont, Mikhaylyukova, Otsuka, Taova, Varlamov)

(Continuing Action) Add English translation information of Yadernaya Fizika under the keyword `REFERENCE` as listed in WP2012-24 (also registered to the EXFOR Feedback System).

→There are still **154** translations for additions.
