

Dictionary 16 (Status): SPSDD

(N. Otsuka and V. Zerkov, 2018-01-05, Memo CP-D/946)

The status code SPSDD is sometimes used for a data set which was withdrawn by the author without a replacement. In order to clarify this point, addition of “or withdrawn” to the expansion of this code is proposed.

Dictionary 16 (Status)

SPSDD Data superseded or withdrawn
