

## Deletion of publication year in the volume number field (A70)

(M. Mikhailiukova, 2018-04-27, Memo 4C-4/218)

### Note added to WP2018-25 by NDS

This memo suggests the coding form for the four journals (VAT/Y, VAT/O, VAT/I and VAT/F):

J,VAT/Y,, (number/parenthesized number),page,year (1978-1984)  
 J,VAT/Y,, (number),page,year (1985-)  
 J,VAT/O,, (number/parenthesized number),page,year  
 J,VAT/I,, (number/parenthesized number),page,year  
 J,VAT/F,, (number/parenthesized number),page,year

Action A70 of NRDC2017:

“Submit a memo summarizing entries where the year of publication coded in the volume field must be deleted due to absence of the volume number in the journal other than PTE”.

Codes of 12 journals in 235 Entries were checked and summary of proposed corrections was presented in the Table of 4C-4/216 memo at December,2017 .

72 Subents(30.5%) were corrected already from December 2017 in the data base.

38 Subents were corrected in preliminary transes (P).

All Subents for journals FCY/L, ZNJD, KSF, VMU were corrected.

The rest 125 Subents for future correction.

Summary is presented in the Table.

Table. List for correction of volume number field in journals without volume number.

P – corrected in preliminary trans.
