

## Compilation of Articles from Completeness Checking (A14)

(N. Otsuka, 2019-04-02)

*A14 Fleming: (Continuing action) Compile articles published in JINR Rapid Communication (KSO) and Phys. Part. Nucl. Lett. (PPN/L) and listed in CP-D/858.*

Done! All these articles have been compiled by NEA DB.

I propose actions to finalize compilation of the articles from the following completeness checking:

- Frascati deuteron-induced reaction data compilation (CP-D/758 issued in 2012, 25 articles left)
- Proceedings of the “Nucleus” conference (CP-D/881 issued in 2015, 4 articles left)
- JETP Letters (CP-D/952 issued in 2018, 17 articles left)
