## NEA DB GitLab page

- Global view of the status of the files

The screenshot displays the GitLab interface for the PRELIM group. The left sidebar shows the 'Issues' section with a count of 5. The main area shows three issue boards: 'IAEA preliminary checks' (2 items), 'NDS open area' (2 items), and 'TRANS' (0 items). A 'Closed' board is also visible on the right. Annotations with blue arrows point to specific elements: the number '5' in the sidebar, the 'Development' dropdown, the issue titles and IDs, the user avatars, and the calendar icons.

Dear @otsuka\_n,

The same is true for prelim.2297. @bossant made some comments about bibliography that need to be addressed. Thank you in advance.

Best regards,

Daniela

Dear @bossant ,

I thought "oe" replaces ø in Danish and ö in Swedish. Isn't it?

Best regards,

Naohiko

Yes @otsuka\_n , this is perfectly acceptable. I mentioned German as I think this is mandatory for German and only recommended for Swedish and Danish.
